Reason for Referral: Psychological Evaluation

This guide has been designed to assist you in finding qualified community resources that can help you resolve your difficulties and improve your well-being. You will be making a commitment that involves time, effort, and cost. Many people who have accessed a variety of community resources have described it as one of the best investments they’ve made for improving their lives.

You may want to contact all of them before making a decision. If you plan to use medical insurance to help cover the cost of evaluation, you will need to know the level of coverage your insurance plan provides for the services offered.

**DISCLAIMER**

The KSU Counseling and Psychological Services (CPS) hopes this information will assist you in selecting a suitable therapist and/or accessing community based resources. Please be aware the therapists and/or resources we recommend are not affiliated with the university. CPS assumes no liability in the event you are not satisfied or helped by the community therapist and/or resources provided. However, if this does occur, please feel free to contact us (470-578-6600) for additional assistance with your therapy and/or resource interests.
