Reason for Referral: Community Resources

Psychological Evaluation

This guide has been designed to assist you in finding qualified community resources that can help you resolve your difficulties and improve your well-being. You will be making a commitment that involves time, effort, and cost. Many people who have accessed a variety of community resources have described it as one of the best investments they’ve made for improving their lives.

You may want to contact all of them before making a decision. If you plan to use medical insurance to help cover the cost of therapy, you will need to know the level of coverage your insurance plan provides for the services offered.

DISCLAIMER
The KSU Counseling and Psychological Services (CPS) hopes this information will assist you in selecting a suitable therapist and/or accessing community based resources. Please be aware the therapists and/or resources we recommend are not affiliated with the university. CPS assumes no liability in the event you are not satisfied or helped by the community therapist and/or resources provided. However, if this does occur, please feel free to contact us (470-578-6600) for additional assistance with your therapy and/or resource interests.
